Risk Matrix

High Unilateral Modification Rights

Why it matters: Material terms could change after signing without recourse.

Provider may be able to modify terms without customer consent.

"See document for specific language — mock mode active."

Suggested next step: Request a mutual written amendment requirement.

High Limited Liability Cap

Why it matters: Company may have no meaningful recourse for serious failures.

Liability may be capped at a small fraction of potential damages.

"See document — mock mode active."

Suggested next step: Negotiate a higher cap and carve-outs for willful misconduct.

Medium **Auto-Renewal with Short Notice**

Why it matters: Missing the notice window locks in another full term.

Agreement auto-renews unless cancelled within a specific window.

"See document — mock mode active."

Suggested next step: Calendar the cancellation deadline immediately.

Missing & Unusual Clauses

Missing Clauses

- Force majeure clause (not clearly present)
- Data processing agreement / GDPR addendum
- SLA / uptime guarantees

Unusual Clauses

- Unilateral modification rights may allow changes without consent
- Review auto-renewal notice window carefully

Action Items

1. Review all payment and fee terms with finance team
2. Calendar all notice and cancellation deadlines
3. Have legal counsel review liability and indemnification provisions
4. Request data processing agreement if applicable
5. Verify governing law is acceptable for your jurisdiction
